- ❖ In addition to the Formal methods, the greatest strength of the department has been the teacher and the student intimate relationship that has kept the department alive

WEAKNESS:

- ❖ The Socio cultural background of the students, many of whom are first generation learners from poor and backward families, is a major drawback for the development of the departments

OPPORTUNITIES:

- ❖ The learners are always made aware of the wide scope for their future
- ❖ Efforts are on to enhance the quality of the students by giving them opportunities of interaction with the senior faculty members of other institutions by means of special coaching classes.
- ❖ If more job oriented coaching classes should be organized for students, it would give them good result.
- ❖ Add on courses like spoken and communicative English courses can bring new opportunities for the students of the department.

CHALLENGES

- ❖ The placement of the output in different government and non government sectors and self employment is one of the main challenges before the department.
- ❖ When the opportunity of getting absorbed in the traditional sector is narrowing day by day, unveiling new sectors of employment is an urgent necessity of the time.
